🛒 FreshNest FMCG — Content Marketing Strategy

> **"Everyday Life, Made Better"**

Internship Project | Digital Marketing Domain Submitted by: Mehak **Program:** Industrial Internship by upskill Campus (USC) in association with UniConverge Technologies Pvt Ltd (UCT) **Duration:** April – May 2026

📌 Project Overview

This project presents a comprehensive **Content Marketing Strategy** for **FreshNest FMCG** — a fictional modern household products brand targeting homemakers, young professionals, and millennial families across India.

The strategy is built around five content pillars, each mapped to a distinct stage of the marketing funnel, with platform-specific execution plans and measurable KPIs.
